Re: MESSA Qualified Health Coverage Notice

MESSA ID#: [DID]

Dear [Member Name]:

Effective July 2, 2020, changes to Michigan's no-fault auto insurance law permit Michigan residents to customize the personal injury protection benefits (PIP) on their auto coverage if their health insurance meets the two following requirements:

- The health insurance plan does not exclude coverage for motor vehicle accidents; and
- The health insurance plan has an annual deductible of \$6,000 or less per covered individual.

This letter confirms that **you [and enrolled dependent(s)] are presently covered under a MESSA health insurance plan that meets the two requirements** stated above. Therefore, you likely are eligible to choose the PIP benefits that best suit your needs.

Please keep in mind that Michigan's no-fault personal injury protection (PIP) coverage pays for more than medical expenses — including things like attendant care, housing modifications, lost wages, etc. — that are not covered by your health insurance plan.

MESSA does not provide recommendations regarding any aspect of your motor vehicle insurance coverage. We encourage you to consult with your auto insurance agent.

If you have any questions, please contact MESSA's Member Service Center at 800.336.0013. We're happy to help.
